## **Seminar on Cotton Price Volatility**

The Provisional Agenda for the Seminar on Cotton Price Volatility: Transparency of Cotton Supply and Use and Trade Policies, is now nearly complete. The seminar will be held on February 8, 2011 beginning at 9:00 AM at The World Bank, 1818 H Street, NW, Washington DC, room MC13-121.

Interest in this seminar is high because of the timeliness of the topic. There is a story in today's Financial Times regarding cotton price volatility, "Cotton hits high as mill stocks dwindle."

Registration is complementary, but security requirements are such that advance registration is necessary at [www.ICAC.org](http://www.ICAC.org). The Provisional Agenda for the seminar is available on the web.
