VI. List the three most innovative achievements that qualifies the candidate for the ICAC award:

Identify the three major contributions of the candidate. Present the contributions succinctly and explicitly by stating the achievement/contribution, the nominee's role in each contribution (e.g., if it was an individual or team effort), why each contribution was important, and how it influenced scientific concepts or practices or the cotton industry. (30 points)

VII. Provide a Biographical Sketch:

A 200 to 300 word biographical sketch and a 4 x 5-inch (10 x 12-cm) black and white photograph or high-resolution digital image of the nominee must be included in the nomination package. The photograph and biographical sketch will be used for the award brochure or press release announcing the award recipient. These materials are not used in the evaluation process.
