

ICAC's 82nd Plenary Meeting

International Hotel
Tashkent, Uzbekistan

29 Sept - 3 Oct 2024

Mr Kris Terauds

Kris Terauds is an economist in UNCTAD's Commodities Branch, conducting research and assisting developing countries with strategies to benefit more from the production and trade of commodities. His recent work includes a series of projects assisting cotton-producing countries in Africa in developing applications and industries for cotton by-products, such as biomass fuel briquettes and surgical cotton.

Prior to joining UNCTAD, Mr Terauds worked in the commodities trading and oil and gas sectors.
